

Invitation

We would like to present you with **a personal invitation** to **an exclusive event** to meet and connect directly with key people within **Quantum Computing and Data Centers**.

On **October 5, 2026, at 15.00 – 17.30** 360 Law Firm will bring together a select group of international law firms and professionals for an exclusive networking event. In this distinguished setting, you will have the opportunity to connect with leading peers from across the legal industry. You will also gain perspectives on why Denmark is in the forefront on Quantum and attracts hyperscalers and colocation datacenters.

Programme
15:00 – 15:30 Check-in and networking
15:30 – 17:00 Four high level Keynote Speakers
17:00 – 17:30 Networking

You will meet high-ranking professionals representing:

Quantum Denmark, established among others by the Novo Nordisk Foundation and the Danish Ministry of Science

Danish Data Center Industry, the business association enhancing datacenters in Denmark

Net Zero Innovation Hub for Data Centers, a pan European association established by Google, Microsoft, Schneider, Danfoss, Vertiv and others

Invest In Denmark which is an integrated part of the Danish Foreign Ministry.

Venue
Charlottenlund Castle
Jægersborg Allé 1
2920 Charlottenlund

15 min. drive by the sea north from the city center.
