

Invitation

We would like to present you with **a personal invitation** to an **exclusive event** to meet and connect directly with key persons within **Life Science** in Denmark. You will experience high level keynote speakers from the following organizations.

Medicon Valley Alliance is one of the largest life science clusters in Europe with more than 300 members

Copenhagen Capacity is the official investment promotion organization for the Greater Copenhagen.

On **Wednesday, 7 October 2026 at 15.00**, 360 Law Firm will be bringing together a select group of international law firms and professionals for an exclusive networking event. As an international frontrunner, 360 Law Firm is proud to open the ecosystem and bring together a community of forward-thinking legal professionals.

You will gain perspectives on why so many in the life science industry choose Copenhagen as platform and why **Copenhagen ranks #1 in best place to do business**.

Since access is limited, please **sign up** no later than Monday, September 14 to Tine Kold Black, tkb@360-lawfirm.com. You will receive a confirmation of your participation.
