

An exclusive invitation to the French Embassy:

Redefining Client Value beyond billable hours

On **Tuesday, 6 October 2026**, 360 Law Firm invites you to an exclusive international networking event in Copenhagen on modern pricing models in the legal industry, hosted at the **French Embassy in Denmark**.

Connect with industry peers
Forward-thinking law firms like yours are already shaping the future of legal services. You will join a select group of hand-picked, progressive legal advisors, together with representatives from the French Embassy, in the distinguished setting of Thotts Palæ, the Embassy's Copenhagen residence.

Unlock the value for you
We bring you a network of inspiring people and access to insights, key learnings, and practical guidance from our own transition from traditional billable hours to a solution-based approach.

By joining the network, you will have the opportunity to share your perspective and engage with international peers across the sector, while gaining practical inspiration on delivering legal solutions and pricing ready for implementation at client level, and transforming your practice into a value-driven business.
